Hola Nico,

Te escribo para comentarte una pequeña novedad del producto.

Ahora en Geoblink puedes visualizar en el panel izquierdo, en la capa de tráfico, el tráfico peatonal segmentado por momento de la semana.

Solo tienes que elegir en el pop up que aparece abajo a la izquierda donde despliegas la capa, si quieres verlo por ejemplo en días laborables, o fines de semana.

Para cualquier duda o asunto adicional sobre la plataforma no dudes en ponerte en contacto conmigo.

Gracias y un saludo
